Further, in support of this petition, applicant submits the following statement of facts verified by the unnamed inventor:

VERIFIED STATEMENT OF UNNAMED INVENTOR
STEPHEN C. PETILLO

Stephen C. Petillo declares that:

The invention described and claimed in the above-identified application was developed in part by me and in part by Richard M. Mohring, Phillip J. Petillo, Steven C. Amendola and Keith A. Fennimore. We worked together in a group effort throughout development. The inventorship error in failing to include my name as an inventor on this patent application occurred without any deceptive intent on my part.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
